Newsletter Summer Term

Friday 26th April 2024

Dear Parents and Carers,

This week the Year 4 children went on an educational visit to Mission Out, an outdoor adventure centre. The children had an amazing time participating in team building activities, jumping from heights, rafting and much more. Have a look at some of the photos and we look forward to taking other children in future years. The children were so well behaved and represented our school community really well. The staff at the centre said they were a delight to have for the day. As a school we are aware that the cost of trips can be challenging for parents with the cost-of-living crisis. This is what has led us to making the decision that each year group will have one trip a year that is not directly linked to the curriculum but enhances the primary education experience for them. Visits include outdoor adventure centres, the seaside, the zoo amongst others. We hope that you will see the benefits these visits have on your children whilst keeping the costs as low as possible. Thank you for your support and generous donations towards school visits to allow the visits to take place.

Kind regards,
Mr Blackburn.

RSE (Relationship and Sex Education):

We are wanting to amend the policy now that we have older children in school and in future Year 5 and 6 children. The next date for the working party to meet is Thursday 2nd May at 9am. We are encouraging more parents and carers to join and give their input. If you would like to join the group, then please ring the school office. All welcome.

NSPCC assemblies and workshops:

This week all children have watched NSPCC assemblies streamed over the internet. These will help to keep all our children safe. Next week, Year 2 children will be accessing a workshop, provided by NSPCC volunteers.
