

## Year 1: 3D

### Core content:

Learn how to smooth a form out of clay.  
Explore a range of materials to understand the importance of weight and balance in construction.

Use recycled materials to create a sculpture inspired by *The Enchanted Owl* by Kenojuak Ashevak.

### Technical vocabulary:

**Inuksuk** – a man made stone landmark built for use by the Inuit and other peoples of the Arctic region of North America.

**Smooth** – a surface that is completely flat and even, without any rough areas or holes.

**Pebble** – a smooth, round stone that is found in or near water.

**Balance** – state where things are of equal weight or force.

**Construct** – to build something or put different parts together to form something whole.

**Model** – to make a model of something.
