the physical

evade invade capture

How I can be successful...

move

I can master the use of dodging to effectively evade multiple defenders in opposition areas.

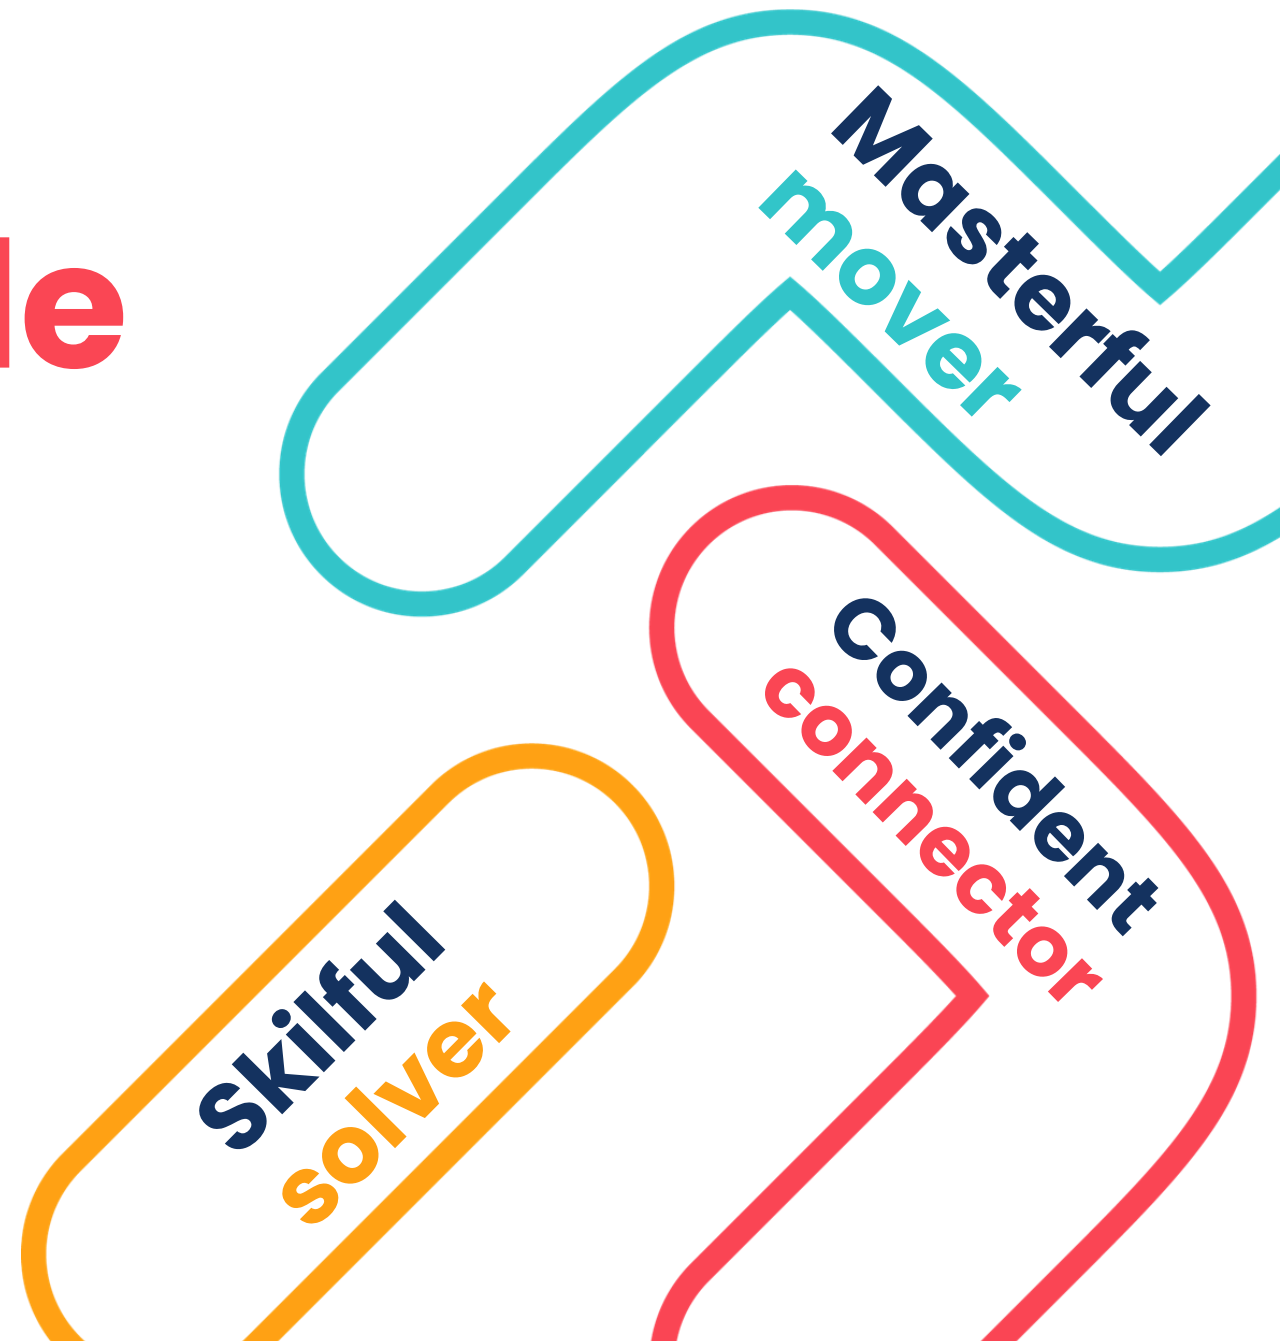

solve

I can justify the strategies I used to successfully invade the opponent's spaces.

connect

I can identify peers who perform confidently in different situations.

beyond
the physical

evade invade

capture

How I can be successful...

move

I can master the use of dodging to capture objects and spaces with larger team games.

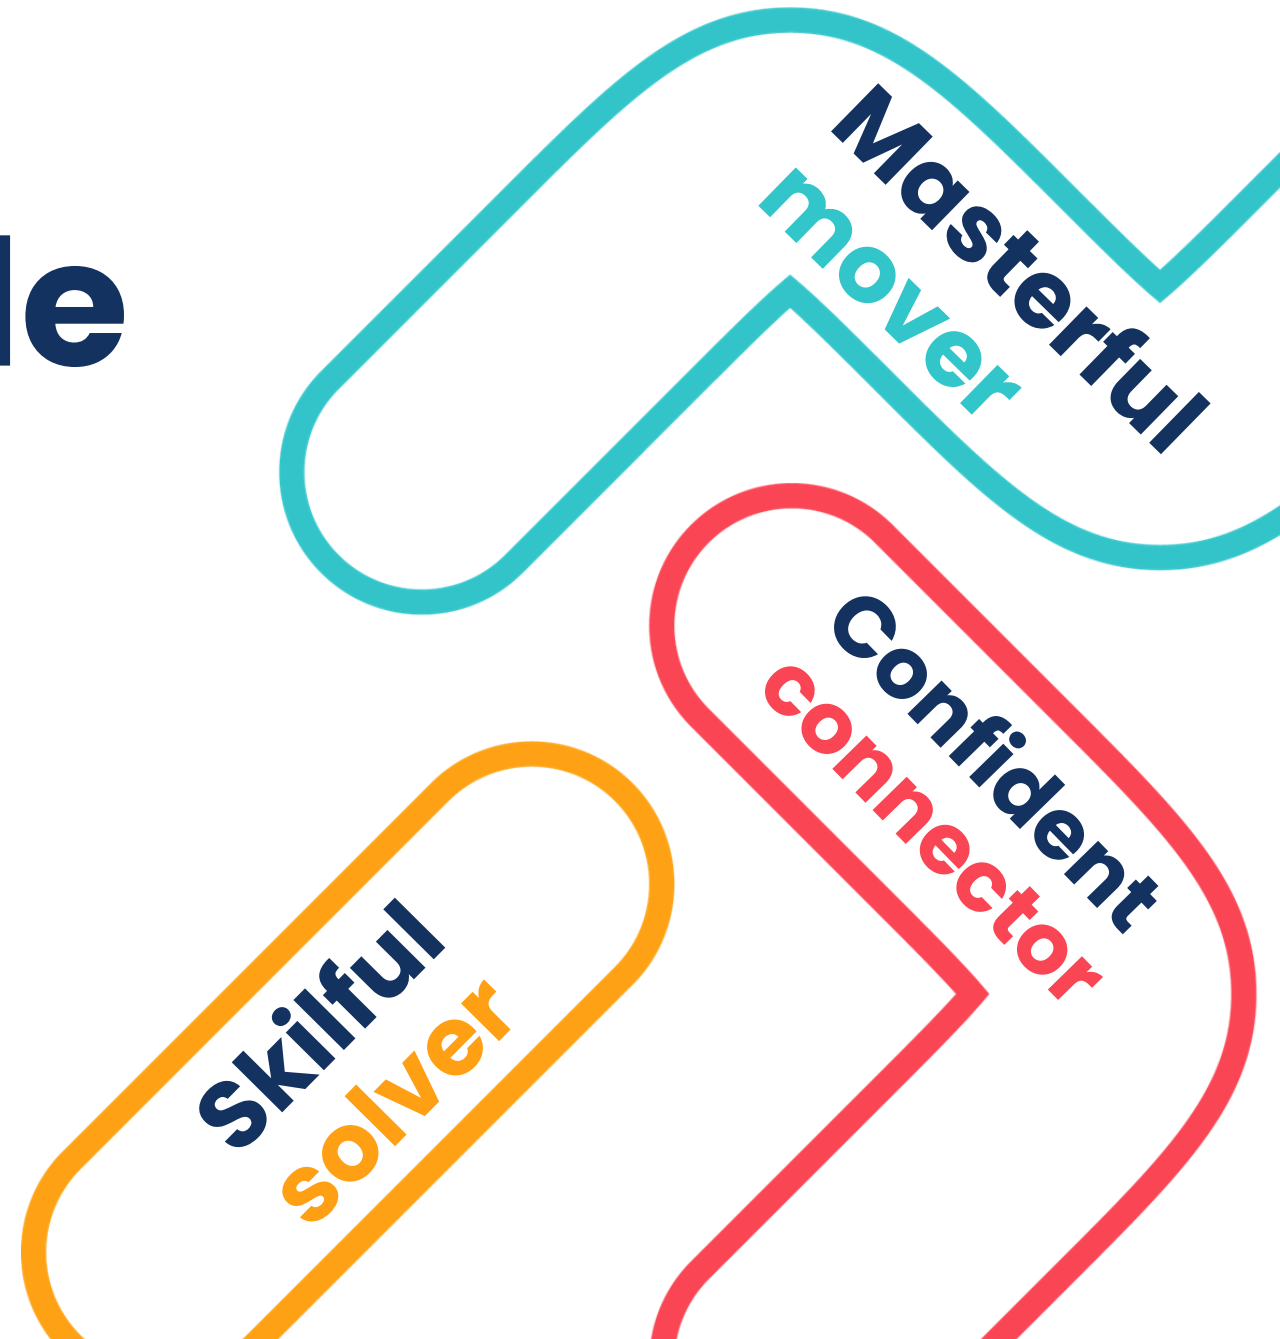

solve

I can justify the reasons for adjusting strategies within games to have the most success.

connect

I can analyse our team's strengths and areas for development.
